How to use your policy booklet

This policy booklet along with Your Schedule and Statement of Fact gives you all the information you need relating to your Home insurance cover. This includes the Terms & Conditions which apply and important information about the Legal & Domestic helpline. It also contains information about the process for making a claim or a complaint. There is a handy notes section at the back of this policy booklet for you to use if you have any questions.

You need to read this policy alongside your Home Insurance Policy Schedule and Statement of fact. All of the cover limits relating to each section of cover you have chosen are detailed in your Schedule. Where cover is being detailed, the sections are broken down into “What is insured” which will typically be shown on the left hand columns, and “What is not insured” which will typically be shown on the right hand columns. These sections are also colour

coded to make them easy to follow and understand what is and is not covered under each section of the policy.

Words appearing in bold text have specific meanings. You can find these meanings in the “Definitions” section on pages 5 to 7 of this policy booklet, and on pages 51/52 and page 66 for additional definitions relating to Family Legal Protection and Home Emergency respectively.

Important Notes

It is important that you are NOT under-insured. Make sure you have insured your Buildings for the full rebuilding cost including allowances for architects costs and site clearance, and your Contents for their full replacement value as new items.

In the event of a covered loss under Section 1 – Buildings and Section 2 Contents where more than one excess may be applicable, only the largest excess will apply.

For example:

If you have		If you have
£250		£100
Buildings excess	and	Contents excess

You will be responsible for the first

£250

of any combined buildings and contents claim.

This amount will be in addition to any voluntary excess you have opted to take.

General Information

Terms & Conditions

This is **Your** Intelligent Insurance home insurance policy and it is an agreement between **You** and **The insurer/s** named on **Your Schedule**.

This policy is only valid if **You** pay the premiums and is based on the information **You** provided to **Us** and confirmed during the application process or subsequently, including acceptance of **Your** renewal. **Your** policy provides the cover for the **Period of insurance** shown in **Your Schedule** and **Statement of fact**. **You** must read these terms and conditions together with **Your Schedule** and any specifications or **Endorsements** as one contract.

Your Intelligent Insurance home insurance policy is evidence of the contract of insurance together with any subsequent addendums **You** are sent.

Contract of Insurance

The insurer agrees to insure **You** according to the terms and conditions contained in this policy booklet and the sections shown in the **Schedule** for loss, damage, injury or liability which happens during the **Period of insurance**.

Your Schedule tells **You** which sections of this policy booklet apply to **Your** Intelligent Insurance home insurance policy. Opposite each heading of cover in this policy booklet **You** will find some exceptions which tell **You** what is not covered under that heading. There are also some general exceptions shown under the General Exceptions section of this policy booklet which apply to the entire contract of insurance.

Protecting Sums Insured

The **Maximum claim limit** under the **Buildings** and **Contents** sections will not be reduced if **You** make a claim.

Risk Transfer – Money Held As An Agent Of An Insurer

Where **We** have agreed in writing with **The insurers** to receive money as **Their** agent, money received whether from **You** or from **The insurer** will be the property of **The insurer** whilst **We** hold it. So, if **You** pay a premium to **Us** it will be treated as having been received by **The insurer**, which means **You** cannot be asked to pay it again if **We** are unable to pay the premium to **The insurer**. Similarly, once **We** have received the premium **We** would be unable to return it to **You**, for example in the event of **The insurer** becoming insolvent. Also, if **The insurer** pays claims money or a return premium to **Us** for onward transmission to **You** and **We** do not pay **You**, then **The insurer** will still be liable to **You**. As **The insurer** bears the risk of such losses, this relationship is usually described as Risk Transfer.

If You Make A Claim

The insurer may repair, reinstate or replace the damaged property. If **The insurer** cannot repair or replace the property **The insurer** may pay for the loss or damage in cash. Where **They** can offer repair or replacement through a preferred supplier, but **They** agree to pay a cash settlement, then payment will reflect any discounts **They** may have received had **They** replaced the property. If an equivalent replacement is not available then **They** will pay the full replacement cost of the item with no discount applied. The sums insured will not be reduced by any claim.

The insurer may appoint an approved supplier to act on **Their** behalf to validate **Your** claim. The approved supplier is authorised to arrange a quotation, a repair, or a replacement where appropriate.

New For Old

We will settle claims for loss or damage to items which are beyond economic repair on a new for old basis as long as:

- the **Contents** have been maintained in good repair;
- the items being claimed for are within

Maximum claim limit detailed in the **Schedule**.

Single Article Maximum claim limits

For the purpose of applying single article **Maximum claim limits**, **The insurer** regards each matching pair or set of **High-risk property** as a single item.

Matching Pairs and Sets

The insurer treats any individual items of a matching set or suite of furniture, sanitary ware or other bathroom fittings as a single item. **The insurers** will pay **You** the full replacement value for individual damaged items but will only pay up to 50% of the cost of replacing any undamaged matching item(s) or parts of matching items.

If a floor covering is damaged beyond repair **The insurer** will only pay the full replacement value to have the damaged floor covering replaced.

Credit checks

As part of the process of offering **You** a quote for insurance, **We**, **The insurer** and other firms involved in arranging **Your** insurance (for example, other intermediaries or premium finance companies) may use Credit Reference Agencies (CRA) to search for information about **You** including Electoral Register and credit information. The information is used to ascertain the most appropriate payment options for **You** and to help prevent fraud.

This kind of search will not be seen or used by other financial institutions or lenders to assess **Your** ability to obtain credit. If **You** have chosen to pay **Your** premium by Direct Debit, a search via a Credit Reference Agency (CRA) will have been carried out. This will place a search footprint on **Your** credit file that may be seen by other financial institutions and lenders.

10. Full Value

Maximum claim limits

a) The value of **Your Contents.**

You must notify **Us** as soon as possible if the full replacement value of **Your Contents** exceeds the amount shown in **Your Schedule**.

If the amount shown on **Your Schedule** represents less than 100% of the full replacement value of **Your Contents**, **The insurer** will only be able to settle claims at the percentage **You** are insured for. For example, if the value of **Your Contents** shown on **Your Schedule** only represents 70% of the full replacement value then **The insurer** will not pay more than 70% of **Your** claim.

The full replacement value of **Your Contents** means the current cost as new.

If the full replacement value of **Your Contents** exceeds the amount shown in **Your Schedule** the cover under the policy will no longer

meet **Your** needs.

b) The value of **Your Buildings.**

You must notify **Us** as soon as possible if the full rebuilding cost, including costs for architects fee and clearance of land for **Your Buildings** exceeds the amount shown in **Your Schedule**.

If the amount shown on **Your Schedule** represents less than 100% of the full rebuilding cost of **Your Buildings**, **The insurer** will only be able to settle claims at the percentage **You** are insured for.

For example, if the value of **Your Buildings** shown on **Your Schedule** only represents 70% of the full rebuilding cost then **The insurer** will not pay more than 70% of **Your** claim.

The full rebuilding cost of **Your Buildings** means the cost of rebuilding if the **Buildings** were completely destroyed. This is not necessarily the market value.

If the full rebuilding cost of **Your Buildings** exceeds the amount shown in **Your Schedule** the cover under the policy will no longer meet **Your** needs.

11. Customers With Disabilities

- Comply with the Electrical equipment (Safety) Regulations 1994.
- Comply with the Furniture and Furnishings (fire safety) Regulations (as amended in 1993).

In addition:

- **You** must ensure there is a tenancy agreement of 6 months or more remaining on the existing tenancy agreement, or;
- The property must have been occupied for 12 months or more by the same tenant(s) with no gap between the tenancy agreements.

If you require a tenant reference, this must be available to **The insurer**.

If these conditions cannot be met, please refer to the paragraph starting “When **We** are notified of a change” under policy condition 2a.

13. Guaranteed Repairs

In the event of a claim and provided **You** use one of **The insurer’s** approved repairers, **Their** approved repairer will offer a guarantee on the repairs. This would normally be a 12 month guarantee but each case would be reviewed individually.

The insurer will guarantee repairs directly if **Their** approved repairer goes out of business.

14. Fraud Prevention And Detection

In order to prevent and detect fraud **We** and **The insurer** may at any time:

- Share information about **You** with other organisations including the Police.
- Undertake credit searches.

- Recover debt and trace beneficiaries.
- Check details on applications and claims for all types of insurance.

15. Contractual Right Of Renewal

If **You** pay **Your** premium via Direct Debit, **We** have the right to automatically renew **Your** policy each year and will continue to collect premiums using this method. **We** may use previous bank or card details provided to **Us** by **You** in order to facilitate this approach. By providing these details, **You** consent to their use in this manner. **We** may vary the terms and conditions of the policy (including the premium) at renewal. This includes the period from when **We** have issued renewal paperwork, but is before **Your** renewal date. For example if there is a change in **Your** circumstances after **We** have issued **Your** renewal paperwork that **We** are subsequently made aware of, or if **You** have submitted a claim in this period, but **Your** policy has not renewed yet, this may result in the terms or conditions of **Your** policy being amended, the renewal invitation being

withdrawn or potentially an additional premium being charged. This includes where **You** have already paid **Your** premium before **Your** renewal date. If **You** decide that **You** do not want **Us** to renew the policy, as long as **You** tell **Us** before the renewal date, **We** will not renew it. Depending on when you tell **Us**, **Your** payment could still be taken if it is close to the renewal date. Any monies taken will be refunded.

Our right to renew the policy does not affect **Your** cancellation rights shown within this policy booklet.

16. Legal Jurisdiction

The law of England and Wales will apply to this policy unless:

- (a) **You** and **We** and **The insurer** agree otherwise; or
- (b) at the date of the contract, **You** are a resident of Scotland, Northern Ireland, the Channel Islands or the Isle of Man, in which case (in the absence of agreement to the contrary) the law of that country will apply. Unless agreed otherwise, **We** and **The insurer** will communicate to **You** in English.

17. Lapsed Policy Warning

In some situations (for example, if **You** live in an area likely to flood) if **You** decide not to renew **Your** policy with **Us**, **You** may find it difficult to arrange alternative cover or start a new policy with **Us** at a later date. To avoid any breaks in **Your** cover, **You** should make sure **Your** new insurance application has been accepted before **Your** current policy expires.

If **You** or **Your Family's** claim is covered under a section of this policy and no exclusions apply then it is vital that

You or **Your Family** comply with the conditions of this policy in order for **You** or **Your Family's** claim to proceed.

The conditions applicable to this section are contained under the 'Conditions' section and should be read carefully. Some of the main conditions to this insurance are that:

There must a 51% or greater chance of winning the case and achieving a positive outcome. A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgement or achieving an outcome which best serves **You** or **Your Family's** interests. The assessment of **You** or **Your Family's** claim and the prospects of its success will be carried out by an independent **Adviser**. If the **Adviser** determines that there is not a 51% or greater chance of success, then **The insurer** may decline or discontinue support **You** or **Your Family's** case.

Making A Claim

Before **You** contact **The insurer** to notify them of a claim, **You** need to understand if **You** should be claiming under the **Buildings** or **Contents** part of **Your** policy. This can be quite hard to understand for certain types of claims, so **We** have put together this short guide to help **You**.

How to know if it's **Buildings** or **Contents**

Everything classed as covered under **Buildings** insurance is likely to be everything that **You** would leave behind if **You** were to move house, or an easier way to think about this is to imagine turning **Your** house upside down allowing all unfixed items to fall out! Everything that fell out would in all likelihood be **Your Contents**.

It is likely that everything remaining would be **Your Buildings**. For example, a fitted bedroom would remain if **You** moved or turned **Your** house upside down, meaning this element would likely be covered under **Buildings**, but a free-standing wardrobe that wasn't fixed would fall out, therefore this item is likely to be covered under **Contents**.

What if **You** need to claim under **Buildings** and **Contents**

It is often the case that both sections of the policy apply to certain claims. For example, if **You** experienced a theft claim, **You** may need to claim under **Your Buildings** cover for the cost of repair or damage to any broken windows or doors (assuming the thief gained entry this way) and claim under **Your Contents** cover for the replacement of any stolen items.

Claims are handled by **The insurer**, NOT by Intelligent Insurance directly. **Their** claim team is there to help **You** and make the process as easy and quick as possible. **Their** claim team will need specific information about **Your** claim and will also ask **You** some detailed questions to help them handle **Your** claim efficiently and to prevent fraud.

First things first! **You** should notify the Police as soon as possible if something is lost or stolen, or if **Your** property has been purposely damaged. The Police may provide **You** with an **Incident** reference number which **The insurer** may require.

It is important that **You** do not negotiate or settle any claims made against **You** by another party, **The insurer** is there to do that for **You**. Do not admit or deny responsibility for anything relating to **Your** claim as this could affect **Your** claim.

Reporting Your Claim

Step 1

Locate **The insurer** which **You** can find on the "**Need to Make A Claim**" section of **Your Home Insurance Schedule**, and **Your policy number**.
